Progressive Dinner Sunday, October 27 3:00 p.m. to 8:00 p.m.

It is time for the Progressive Dinner! Last year we collected a record breaking amount of food! The food we collect goes to the HPC Community Cupboard, Family Promise, and hygiene supplies go to Carmel Schools. The additional food goes to local food pantries.

The youth will collect monetary donations, canned goods and nonperishable items by contacting our friends, family and church members **BEFORE THE EVENT**. Church members can drop off food donations in the Bins with the youth's name in the hallway from Oct. 13—October 27. Youth and Team Leaders will receive **Bonus Points** based on the amount of donations they collect prior to the event including items in their baskets. Youth will be divided into teams to compete in challenges for cash donations. Teams will then purchase more food supplies with their acquired cash donations during the shopping portion of the event. But before we shop, we need to eat. We are bringing back the Progressive Dinner part of our event. We will travel to The Jacob's home to have dinner. And back to the church for dessert.

We need two hosts for dessert at the church. And we need additional adult drivers, in their own cars, to go along with the teams to the dinner and the store.
